Prepared by: Tamarack North Ltd
4A-1005 Henshaw Lake Rd.
PO Box 486 Port Carling, ON
POB 1J0

Date: January 2020

At Tamarack North, nothing makes us happier than being able to bring people home to this stunning natural landscape. Established in 1990, our remarkable portfolio has been built on the core philosophy of, *'your vision, our experience.'*

We offer the ultimate in client services. From designing & engineering your project, to interacting professionally with your consultants, municipalities and regulatory bodies. The clients who come to Tamarack North are seeking absolute quality, unquestionable design and craftsmanship, and a stress-free project.

We pride ourselves on providing professional project management services, ensuring you an enjoyable experience as you watch your vision come to fruition. We want to make sure our buildings, homes and cottages remain a part of your heritage for generations to come.

Working year over year, one project at a time, we have earned the trust of our clients by providing uncompromising attention to detail which has garnered us a reputation as one of the finest builders of luxury estates.

Tamarack North is pleased to present you with this summary associated with the Redstone home plan. This document defines pricing, scope of construction and additional items to be considered for completion of the project.

We present three 'tiers' of pricing as follows:

- **Tier 1** – A base level of high-quality finishing, fixtures and equipment.
- **Tier 2** – An upgraded level of finishing, fixtures and equipment.
- **Tier 3** – A high luxury level of finishing, fixtures and equipment.

This allows you to select a level of construction that suits your budget, tastes and needs. The pricing and included items are presented in the following sections for each tier.
